PA Department of Corrections announces the following training:

ICS 300 – Intermediate ICS for Expanding Incidents

Course Description: This course provides training for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in the ICS 100 and ICS 200 courses. Participants will learn how to describe how the National Incident Management System Command and Management component supports the management of expanding incidents, describe the Incident/Event Management process for supervisors and expanding incidents as prescribed by the ICS, implement the Incident Management process on a simulated Type 3 incident, and develop an Incident Action Plan for a simulated incident.

Target Audience: NIMS ICS All-Hazards training should be completed by personnel who are regularly assigned to Functional, Support, or Unit Leader positions or by those persons who desire to seek credentials/certification in those positions.

Prerequisites: IS100.b, IS200.b, IS700.a, IS800.b (experience using ICS concepts and principles in a response or exercise is recommended)

Course Materials: will be provided upon arrival to the training site.
