

## **FI-110**

# **Wildland Fire Observations and Origin Scene Protection for First Responders**

DCNR Bureau of Forestry will be hosting a **FI-110, Wildland Fire Observations and Origin Scene Protection for First Responders** class on **March 4, 2025** from **0900 to 1600** at **Lebanon County Department of Emergency Services, 1805 Cornwall Rd, Lebanon PA 17042**, in Lebanon County.

The primary emphasis of this course is to teach sound wildland fire observations and origin scene protection practices that enable first responders to a wildland fire scene to perform proper origin scene protection procedures. The course is presented by short lectures, electronic presentations, exercises, and class discussion.

Recommended training for all first responders, including Single Resource Bosses, law enforcement officers, prevention technicians, and field resource personnel.

There are no prerequisites, and the course is free, lunch is not provided however a lunch break will be provided for students to go for food.

Upon successful completion students will receive a nationally recognized certificate. Please fill out the signup on the LCDES website to register: <https://www.lcdes.org/training/fi-110-wildland-fire-observations-and-origin-scene-protection-for-first-responders/>

Feel free to contact me at **570-449-4126** or by email **sabearinge@pa.gov** if you have questions about the class.
