**From Harbor of Grace Website:** Our mission is to provide affordable, compassionate and comprehensive care to individuals struggling with mental health and addiction related issues through a personalized blend of evidence-based and innovative therapies. The National Law Enforcement & First Responder Wellness Center at Harbor of Grace is proud to announce that on Sept 21, 2021, we joined the exclusive club of only three other treatment centers in America that are vetted and Approved by The National Fraternal Order of Police to provide treatment to their members. We are honored to be a member of the National FOP Family!
