

AUTISM AWARENESS TRAINING FOR FIRST RESPONDERS

MONDAY - APRIL 5, 2027
TWO SESSIONS
2:00PM TO 4:00PM
OR
6:00PM TO 8:00PM

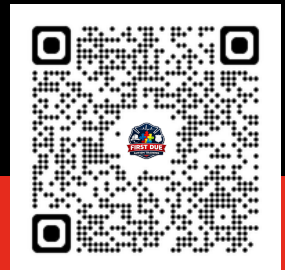

These important sessions will cover key topics to include:

- 🧩 Recognizing early indicators of Autism
- 🧩 Effective communication strategies
- 🧩 Best practices for responding to individuals with Autism during emergency situations.
- 🧩 This training aims to enhance understanding, improve outcomes and ensure compassionate, informed care when seconds matter most.
- 🧩 All first responders are encouraged to attend and strengthen their ability to serve every member of the community.
- 🧩 Open to Public Safety Professionals and First Responders of all disciplines.
