Street Patrol is one of the most common and highly dangerous actions performed by police officers. Responding to calls in progress, traffic stops, and citizen encounters are a leading cause of grievance and physical harm. It's imperative that officers be well-versed and competent in the **most up to date tactical concepts** necessary for sound decision making during every single interaction but most important, when stressful events.

This fast paced, data driven, advanced level course focuses on realistic challenges faced on the streets, ensuring officers are prepared for active, high-pressure situations to ensure rapid, effective responses.

Regardless of agency size, this class benefits every officer from rookies to veterans. As with all Calibre programs, this class is always evolving to include the most recent events. We utilizes and analyzes current videos and incidents to examine how to prevent tragic occurrences. .

By the end of the seminar you will be able to immediately implement new tactics and techniques which will increase your confidence and dramatically improve your officer safety skills.

Course topics include:

- **Tactical Excellence: Question Everything!**
- **Approaches: Vehicles, Buildings, People**
- **Examine Recent "High Profile" Cases and the Lessons Learned**
- **Case Law Pertaining to Vehicle Stops**
- **Ambush Attack Awareness**
- **Exclusive Tactics for Nighttime Patrol**
- **Responding to Alarm Drops and "In Progress" Calls**
- **Controlling the Uncooperative**
