Training Program Announcement!!

Responding to Ethanol Incidents

This 6-hour training program reviews ethanol and blended fuel characteristics, transportation, storage, and dispensing along with firefighting foam principles for these fuels. Traditional methods of firefighting against gasoline and other hydrocarbon fires have been found to be ineffective against these new polar solvent-type/ethanol-blended fuels creating new challenges.

Saturday, January 16, 2027 @ 9:00 am

Lebanon County Dept. of

Emergency Services

1805 Cornwall Road

Lebanon, PA 17042

Lebanon County
